Last "Sunday's Times."

We claim, with no little satisfaction is pride, that less Europay's Trays a one of the most complete newspass over issued in Los Angeles. The agraphic account of the obsequies is work and the memorial services in rious other either throughout the mustry, together with the report of the montrainin in Los Angeles. Coupled ore than a full page of closely set deriptive matter. The tolegraphic night poor alone which we published mats lily 8,000 words, whereas the after oon report of the asset day made as than one-fourth of that amount live readers were given a birds-ryis tew of the tributes of respect offered by the American people and also by the people of foreign countries. Bad one been present in New York City and onloyed every facility for observation, it has an out-offered from our columns. The attrogest feat are of modern reporting is that it gives the reader a chance to look simultine accounty through many eyes at many different points of observation. It has Associated Press report of the forant obsequies it was easy to note the great of the reader a chance to look simultine accounty through many eyes at many different points of observation. It has Associated Press report of the Grant obsequies it was easy to note the great once of one reporting is that if gives the reader a chance to look simultine accounty through many eyes at many different points of observation. It has Associated Press report of the Grant obsequies it was easy to note the presence of one reporting is that if gives the reader a chance to look simultine accounty through many eyes at many different points of observation. It has Associated Press report of the Grant obsequies it was easy to note the presence of one reporting is that if gives the reader a chance to look simultine accounty through many eyes at many different points of observation. It has a substantially and the reader of the reader

ea, the Porger, Shot Twice by Con-table Ledbetter. The Wounds Not Probably Dangerous - A Tough a 4 Norvy Young Man. "Them Other Fellar The Trans noted, August 1st, the arrest of Wm. McCras, olim several other titles, in San Diego, for forgery of a check row W. D. Lamb of Sant Ann. He bears a hard character, and is charged also with stealing a horse. It is stated conditutely by some, that has aiready served a short term in Sar Quentin. Others deep this proposition.

Years of Experience in the Easte

Selling goods on close margins is semothing the average that has aiready served a short term in Sao Quantin. Others deep this proposition, but no one seems to have the deetments either way.

Testerialy afternoon Constable Ledbetter went over to the juli, and took McCras over to Justice Banney's centrifor examination. In turning over the prisoner, Jailor Phompson said to the constable, "Look out for that man. He's a bad one, and tricky, and if you sin't careful you'll never bring him back," The examination took place, and Me-Cents for Ball's Health Corsets
